This Map is a result of an Exchange project about independent (Art) Spaces in Berlin and México City and their situation in the capitalist city development.

With the Map the Collectives NotYourSoap, Pappsatt/RYC, Neurotitan (Berlin) and SomosMexas, Feral (México City) are showing spaces they visited during their research in September 2016.

The map is not meant to be complete or objective at all!

Reclaim Your City (RYC) is a Network and digital Archive for Urban Art, Activism and Protest Communication.
